

IT Support Guide

VPN Issues

If your VPN is not connecting:

1. Restart the VPN client.
2. Check your internet connection.
3. Clear VPN cache and reconnect.
4. If unresolved, contact IT Helpdesk at it-support@company.com.

Password Reset

Visit the self-service portal at portal.company.com.

Click Forgot Password and follow the steps.

For account lockouts, contact IT Helpdesk immediately.

Laptop Issues

For hardware issues, raise a ticket at helpdesk.company.com.

Replacement laptops are provided within 2 business days.

Software Installation

All software installations must be approved by the IT department.

Submit a software request form at least 3 days in advance.
